

# **BENTOPROSEAL-B**

## **DESCRIPTION**

BENTOPROSEAL-B is a sodium-activated bentonite with good yield (16 - 18 m<sup>3</sup>/t), specially processed to achieve good rheological and waterproofing properties.

BENTOPROSEAL-B can be successfully used for various construction projects and technologies: preparation of bentonite suspensions for stabilization of excavation, piling works, construction of canals, embankments, artificial lakes and ponds, additive in mixtures with other building materials (as a retarder, binder, waterproofing component and similar).

#### PRODUCT PROPERTIES

| Parameter                      | Unit  | Limit value | Typical value |
|--------------------------------|-------|-------------|---------------|
| Moisture                       | %     | ≤ 13        | 9 - 13        |
| Swelling volume (2g/100ml)     | ml    | ≥ 24        | 24 - 28       |
| Sieve residue 63µm, dry screen | %     | ≤ 25        | 20 - 25       |
| Specific mass                  | kg/m³ | -           | 2650          |
| Bulk density                   | kg/m³ | -           | 800 - 880     |

## **APPLICATION**

| Suspension properties                  | Unit  | 50 kg/m³ | 60 kg/m³ | 70 kg/m³ |
|--|-------|----------|----------|----------|
| Slurry density DIN 4127                | kg/m³ | 1027     | 1034     | 1038     |
| Filtrate volume DIN 4127 (7,5 minutes) | ml    | 11       | 10       | 9        |
| Liquid limit DIN 4126 (balls)          | N/m²  | 6        | 12       | 30       |
| Marsh viscosity EN 1538                | S     | ≥ 35     | ≥ 41     | ≥ 47     |

NOTE: Water quality affects BENTOPROSEAL-B performance. For best results set water pH to 8,5 - 9,5 by adding soda ash.

### PACKAGING, STORAGE AND SHELF LIFE

- 25 kg (paper bags on a pallet 1.000 kg, protected with plastic foil)
- 1 ton (big bags)
- In bulk (delivered by silo truck)

To be stored in original packaging in dry place. Shelf life: 1 year.

#### **OUALITY CONTROL**

BENTOPRODUCT operates in accordance with the Integrated Management System that implies ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018. Certified by TÜV.
